

## Caribbean Movement For Peace and Integration

April 4, 2023

Statement: The Caribbean Movement and Integration supports the call for the removal of the blockade against Cuba. This blockade has created serious economic and challenging problems for the people of Cuba and has also created problems for Cuba international solidarity work in the areas of health and education. Our organization considers the blockade against Cuba as a blockade against the poor and powerless people of the world.

David Denny  
General Secretary  
Caribbean Movement for Peace and Integration
